Love Elixir

Step into a realm illuminated by the Love Elixir Candle, where Ylang Ylang's aphrodisiac allure awakens deep desires and balances the skin. Patchouli provides tranquillity, banishing tension and rejuvenating the skin with its protective traits. Sandalwood's woody whispers craft an ambience of bliss, nourishing your spirit and skin. Beyond mere light, this candle is a sensory voyage of relaxation and self-care powered by nature's most exquisite essences. Embrace its magic.

Life Elixir

Immerse yourself in the glow of the "LIFE ELIXIR" candle, a journey captivated by the radiant aroma of orange, echoing sunlit orchards and dispelling melancholy. Rose Geranium weaves a calming floral embrace, refreshing and guarding against stress. This candle is not just illumination but an emotional guardian, filling spaces with tranquil whispers and nature's purest essence. Let its light transform moments into sheer joy and serenity. Embrace nature's alchemy.

Power Elixir

Discover the POWER ELIXIR candle, where each flame ignites a soulful journey. Experience the calming essence of May Chung, a sage's laughter dispelling stress. Let Bergamot's citrus aroma fill the room, invigorating warmth and ensuring health and hope. As Black Pepper's spicy notes rise, they rejuvenate and protect, awakening the senses. More than a candle, the POWER ELIXIR is a beacon of strength and ancient remedies. Light it to experience nature's potent magic, fueling vitality. Breathe in empowerment, exhale release. Embrace its transformative power.

Pleasure Elixir

The PLEASURE ELIXIR candle offers a sensory journey, intertwining the soul's desires with nature's gifts. Rosewood Oil brings serene woodland whispers, soothing and healing mind and skin. Orange Oil's uplifting aroma dispels melancholy, acting as a protective and rejuvenating shield. As night falls, Peppermint Oil refreshes, easing pain and invigorating the body. This candle isn't just a light; it's an ancient blend of nature's healing balms. Ignite it for moments of pure joy and profound relaxation. Embrace the PLEASURE ELIXIR's transformative magic.

For connoisseurs of beauty and quality: subfossil oak wood

Enrich your interior with unique furniture crafted from wood aged up to 9500 years. Choose a piece of history encapsulated especially for you in a sophisticated form.

Our showcased furniture is crafted from ancient oak sourced from Central Europe. Every piece of this rare material undergoes meticulous examination after excavation, with its age authenticated by a certificate. A prolonged drying process ensures the wood retains its beauty for thousands of more years.

We craft unique items from this material, including tables, coffee tables, consoles, kitchen countertops, bathroom furniture, serving boards, and lamps.

Want to stand out even more? Please send us your idea for subfossil wood. **We're confident we can craft a design to satisfy even the most demanding customers.**
